Yakima Valley Libraries Excited to Partner with UNIque Reading Opportunity

Yakima, WA- Yakima Valley Libraries will be welcoming an innovative reading opportunity to the Yakima area this coming weekend. The Foundation for Early Learning has selected Yakima Valley Libraries as one of its partners in 2013 and we will be setting up their UNI at the Yakima Folklife Festival on Saturday and the Yakima Farmer's Market on Sunday.

YVL and the Foundation for Early Learning will be staffing the UNI on Saturday from 11am-6pm at Franklin Park, 2015 Tieton Ave and on Sunday from 9am-2pm at the Yakima Farmers Market at 3rd and Yakima Ave.

What is a UNI? It's a portable structure that allows us to take learning outside of the walls of a school or library and put it into public space. The goals of the UNI are threefold: 1) Parents are the children's first teachers; 2) Science, Technology, Engineering & Math (STEM) begins at birth and 3) Fostering early learning at home is simple and fun!

"We are excited to bring this unique event to Yakima," Kim Hixson, Yakima Valley Libraries Director.

Yakima Valley Libraries strives to support lifelong learning and an informed citizenry by providing free, open and full access to a vast array of ideas and information. We look forward to serving you.
