11. SCOPE OF WORK

Yakima Valley Libraries (YVL) is seeking a vendor for a Yakima County prevailing wage project. The vendor would cable from the existing patch panel in our network rack and terminate at designated locations per Attachment A.

Project is to include:

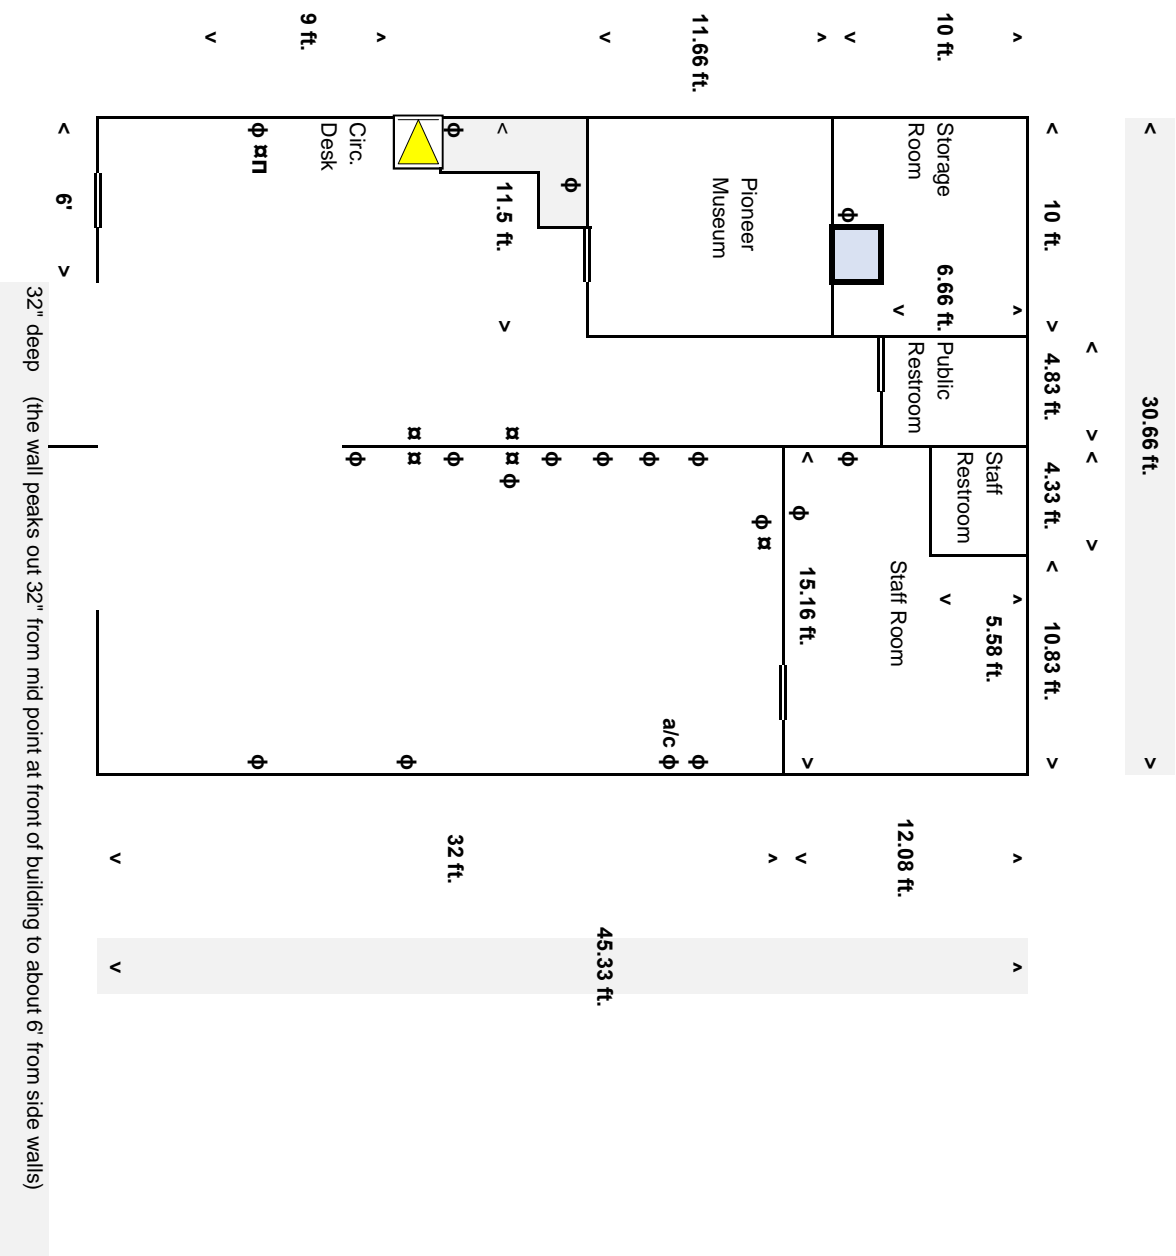

- Termination of (4) Cat5e plenum rated network cabling from existing patch panel in network rack to designated locations per attachment A.
- (1) recessed back box with (4) keystone jacks and a faceplate to match per attachment A.
- Test and label all terminations at both ends with labeling to be approved by the designated YVL representative.
- No plastic zip ties are to be used, Velcro or other YVL representative approved methods are acceptable.

- All cable is to run above ceiling, under the floor, through the wall, or in cable concealment and be properly bundled together and supported by the building structure.
- Any holes created from cable installation must be approved, patched, and painted with vendor supplied materials.
- Remove all debris from site daily, leaving all work spaces in a clean and orderly manner.
- Obtain all required permits and arrange for the electrical inspections if required for this project.

Vendor is to provide in their quote: all labor, parts, equipment, miscellaneous supplies, filing fees, and permits to complete this project. Vendor must list separately the costs for labor, materials, and fees on their official quote.
