Yakima Valley Libraries Website Redesign and User Survey

Yakima, WA - Yakima Valley Libraries is excited to announce that we are working on a redesign of our website! We want the new website to be user-friendly and relevant to our community, so we're asking patrons and residents to participate in a brief user survey to share opinions about our current website, and suggestions for the new one.

All feedback is anonymous, unless a respondent chooses to provide contact information in order to be considered for participation in an in-person focus group.

The survey is now available on the Library website, and will be accessible until July 14, 2017.

To access the survey go to: www.yvl.org, click on "Website User Survey" located on the left side of the screen, and complete the questionnaire. Everyone's input is valuable! We greatly appreciate your feedback and will certainly take into consideration all comments and recommendations!

If you have questions or need more information, please contact Melissa at 575-3426 or email mvickers@yvl.org Thank you.
