Moxee Branch to Temporarily Close for Facelift

Yakima, WA- On Wednesday April 8, 2015 the Moxee branch of Yakima Valley Libraries will be temporarily closing for a building facelift. The branch will be receiving a fresh coat of paint, new baseboards and new carpet compliments of the City of Moxee, who owns the building. The branch is scheduled to re-open on April 13th.

Patrons are encouraged to use a neighboring branch during the closure; a list of Yakima Valley Libraries branches is available at www.yvl.org. The closest branches are Terrace Heights, Zillah, Yakima Central and as always our website and eResources.

Yakima Valley Libraries is always looking for ways to make our branches into more comfortable spaces for our patrons. Although we wish we could do this for every branch we own three of our seventeen facilities and often work with partners, cities and other entities if it is fiscally possible.
